CAMERA REPORT: Big Stack; Big Catch

AT BELLE GLADE, CSF pump in the lake levee will handle 6,733 gallons of water a second through this stack. In photo, a workman at Fairbanks-Morse Beloit plant enters the bearing housing of the huge stack.

PAHOKEE FISHERMEN (l-r) Mitchell Kirk, W. H. Jones, jr., and Jim Seay can still be seen amidst some of the 535 lbs. of red snapper and 90 lbs. of grouper they boated out of Salerno in four hours, recently. Joy Jones stands in front of Bill, from whose boat the catch was made.

GLADES SUMMER REC, BAND MON.

BELLE GLADE—The Belle Glade school recreation program registration will begin Monday at 9 a.m. at the Municipal Park. The recreation program will run from 9 a.m. to 12 noon and 2 to 5:30 p.m. Mondays through Fridays.

CANAL POINT—The summer recreation program sponsored by the Palm Beach County Board of Public Instruction for Canal Point, for school age children, will open Monday and continue for six weeks to July 29, according to Herbert A. Miller, local director.

Opportunities to participate in swimming, baseball or softball, tumbling, track and field events, and other social and team games will be given. The "quiet activities" will include table games, arts and craft work, movies, ping pong, and shuffle board.

It is hoped all of the children who can take part will register on the first day so that a schedule of activities can be made that will provide for the interests of the largest number. Children may register, however, any day during the program.

MRS. SIMMONS RESIGNS AT SOUTH BAY GROWERS

SOUTH BAY—The resignation of Mrs. Dorothy Simmons as office manager of South Bay Growers, Inc. was announced by the company yesterday.

The resignation, presented at a board of directors meeting, is effective immediately.

Parents are urged to bring their school age children, meet the director and help get the children started in the activities in which they wish them to participate.

PAHOKEE—The eighth summer music program for the Pahokee schools will open Monday with registration at the high school band house from 8 a.m. to noon, according to Bandmaster Robert O. Lampi.

The program, sponsored by the Palm Beach County Board of Public Instruction and the state department of education, will be six weeks in length, closing July 29, Lampi said.

Its purpose is to offer recreation for school age children under trained leadership, and to act as a recruiting program to replace members of the band lost by graduation or transfer.

Tentative schedule for classes, to be conducted at the high school band house are: beginners—Monday, Wednesday, and Friday 10 a.m.-noon; band members classes—Tuesday and Thursday 10 a.m.-12 noon. Mornings from 8 to 10 a.m. and afternoons 1 to 5 p.m. will be used for individual or ensemble instruction, Lampi said.

He also announced that there are still some school-owned instruments available for student use, including Sousaphones, baritones, bass trombones, French horns, bassoons, snare drums, and a bass drum. There is no charge for the use of the instrument, music, or instruction during the summer program.

NOTICE

During the absence of Mrs. Edwina C. Young from the Chamber of Commerce in Belle Glade, Miss Mary Claire Crider will keep the office open. License tags will be available during this time to new car dealers only. All others are requested to purchase their tags through the Pahokee office.

Polio Shots In Glades Finished

The polio vaccine program was completed in all Glades schools. Friday and Monday, with 863 children getting their second injections and 131 receiving booster shots, according to Miss Jane Plumer, county health department nurse.

A total of 591 white children and 403 Negro students were inoculated.

Children who missed getting their injections can have them at the regular health department immunization clinics, Miss Plumer said. The schedule is: for white, Pahokee Camp, Thursdays 8:30 to 10:30 a.m.; Osceola Community Center, Mondays, 8:30 to 10:30 a.m.; for Negro, Everglades Camp, Wednesdays 8:30 to 10:30 a.m.; Caldwell Building, Pahokee, Wednesdays 1:30 to 3:30 p.m.; and Okeechobee Camp, Thursdays 8:30 to 10:30.

EES MEN GET UF AWARDS

BELLE GLADE—Dr. R. V. Allison, fiber technologist at Everglades Experiment Station, and two former staff men at the station received certificates of appreciation for 25 or more years service to the University of Florida at the recent UF baccalaureate in Gainesville.

Dr. Allison, Dr. Joseph R. Neller, formerly a director of the Everglades station, and presently in Gainesville; and Dr. John W. Wilson, entomologist at the Central Experiment Station, Sanford and formerly on the staff at the Everglades Experiment Station received the awards.

Mrs. Raulerson Top Bass Winner

PAHOKEE—It was ladies' day in the fishing world yesterday as Mrs. Pearl Raulerson was announced the grand prize winner in the Pahokee Chamber of Commerce Black Bass Fishing Contest which ended Wednesday.

Mrs. Raulerson's eight pound entry swam in ahead of Joe Cherry, with his 7 lb. 12 oz. fish taking second place, and Willie Veal's 7 lb. 4 oz. entry in third.

Chairman F. S. Parrish announced that prizes will be awarded at the Chamber-sponsored Gladeswide Fourth of July celebration at Pahokee waterfront.

BULK PLANT OPPOSED

PAHOKEE—A plea to all residents to express themselves against locating a new bulk oil plant in downtown Pahokee was voiced by Mrs. Frank Friend, civic leader, this week.

Mrs. Friend appeared at Monday night's City Council session as spokesman for a large group protesting the site to ask if there would be a public hearing on the matter. She was assured that there would be, although the date has not yet been set.

In a statement yesterday she asked that residents take cognizance of the fact that the proposed location for a new Orange State Oil Co. bulk plant is "next door to our picture show, where each Saturday afternoon there are at least 90% of the children in our town collected there to see a movie." "Think of what a calamity it would be if some Saturday there would be an explosion," she said. "Then, too, this bulk station would be about a half block from the school where hundreds of children of this community spend six or seven hours five days a week for nine months out of the year," her statement continued.

Noting that "the people who want to install this bulk station (Continued on Page 10)

So. Bay Names Zoning Board

SOUTH BAY—At City Commission meeting Monday evening, a planning and zoning board was appointed to revise the present building code of the city, with a view toward increasing growth and betterment.

Frank Willis was appointed chairman. Other members of the board are William Masonic, Henry Elfers, Marvin Davis, and Bill Murray. Zoning expert from either Tampa or West Palm Beach will work along with the board, advising and making recommendations.

Shelters Approved

Approval was granted for the building of shelters over the tables at City Park, to be paid for by the county at a cost of \$4200.

Deeds were received from Roadman and Hardy for land giving right-of-way for continuation of 5th St. to Jeffries Canal. Mayor S. J. Fisher donated a piece of property along SR 80 to be used as a city park, and which will be known as Fisher Memorial Park. Six lots (Continued on Page 10)

WASHINGTON NEWSLETTER

By Sen. George Smathers

WASHINGTON—Emergency aid for three Latin-American countries is gaining impetus in Congress with Senate authorization for \$17,000,000 to be spent in the fight against back-door Communism.

The Senate has accepted, in an overwhelming voice vote, my amendment to set up the \$17,000,000 in the Mutual Security authorization bill, for Bolivia, Guatemala and Haiti. Authority for the emergency aid to these three countries is essential to prevent Communism from again gaining a foothold virtually at our backdoor.

At the same time, the measure demonstrates our sincerity in our move to implement and promote mutual understanding and goodwill with our neighbors to the south. The amendment made a substantial contribution toward making the Western Hemisphere a tower of strength in the cause of freedom.

Sarasota's branch plant of the New York Rubber Corporation has received a \$449,000 contract to supply rubber life rafts to the Navy. The award followed a survey by the Navy and the Small Business Committee, of

which I am a member. Inquiry showed the low bidder was unable to properly meet the delivery dates; so the contract was split. The early deliveries on the order will be made from Sarasota.

The annual vacation Bible school at South Bay Baptist Church opened on Monday with 68 children present. The classes will continue daily from 1:30 to 4:30 p.m. through Friday, June 24th.

BY SCHATZI

Dear Bosses—

Know what June 14 was?

Flag Day—an occasion of public observance established by presidential proclamation.

That's the day set aside to honor the American flag and all that it represents. Every big and little guy is asked to show his colors that one day of the year.

Around here, on Tuesday, June 14, a mere pawful of private residents (like Mr. Coburn up Port Mayaca way), the public buildings, and very little else gave any indication it was Flag Day. I hear the brother Elks will observe the day for the Glades in Clewiston Sunday. But they can't do it all by themselves, for all of us.

Maybe I can't bark anything but the two low notes of "The Star-Spangled Banner," but I stand up on my two hind paws when I see the flag.

So just for the record, I thought the bosses and a lot of other people who skipped Flag Day might like to take a good look at

IT.

and here and now resolve to be the biggest flag-wavers in the Glades come NEXT Flag Day. Yours for more star-spangleds,

Schatzi

ELARBEE RITES HELD SATURDAY

PAHOKEE—Funeral services were held Saturday at 11 a.m. at First Methodist Church for Dr. Harry Moore Elarbee, 52, with Rev. U. W. Malcolm of Belle Glade First Baptist Church officiating.

Pallbearers were B. Elliott, Lewis Friend, Rupert Mock, Joseph Kahn, Thomas Elliott, and Minter Collins. Graveside services were held Sunday at 3 p.m. in Groveland, Ga. Wetherington Funeral Home of Pahokee was in charge of arrangements.

Dr. Elarbee was found dead in West Palm Beach Canal, 16 miles east of Canal Point, last Friday. According to Florida Highway Patrol Trooper Charles McWilliams, Dr. Elarbee's car apparently ran off the highway going west. A 1/c Sammy Walker and Ronnie Elliott of Pahokee located the car tracks from a small boat as they searched the canal. They and S/Sgt. Edward Klanjac and Milton Wilson of Pahokee, in a second boat, assisted with locating the car. The Air Force men are part of the Canal Point crash boat detachment under M/Sgt. Arnold Heldt.

Dr. Elarbee, a resident of Pahokee since 1936, leaves a son, Harry Brooks, and his parents, Dr. and Mrs. George W. Elarbee.

BG Lions Honor Their Ladies

BELLE GLADE—The Lions held their ladies' night entertainment at the Country Club Friday evening with a barbecue dinner followed by square dancing.

R. L. Murray was master of ceremonies, and introduced the guests, including Lions Club members from Pahokee, South Bay and West Palm Beach. Mrs. U. W. Malcolm entertained with an hilarious skit entitled "A Trip to New York", and Miss Eva Mahoney and James Dean gave several vocal selections.

H. V. Draa received the award for the outstanding Lion of the year, presented by F. C. Dooley. Music for the square dancing which followed was provided by the C-Jay Orchestra. C. W. McDonald, newly elected president, announced that installation of officers will be at a later date.

Elks Chorus At Lauderdale

PAHOKEE—Twenty-five members of the Elks' Youth Chorus, directed by W. A. Slauter, sang for the joint Flag Day ritual of the Pompano, Hollywood, and Ft. Lauderdale Elks at the latter's municipal auditorium Tuesday night.

BG FACULTY FETE MISS DIGGS

BELLE GLADE—The faculty of the Belle Glade schools held a farewell luncheon party at the school cafeteria Friday, honoring Miss Sarah Diggs who is retiring at the close of the school year after teaching mathematics in the local high school for 13 years.

Before coming to Belle Glade, she taught for 25 years in Tennessee. She plans to return now to Paris, Tenn., but beyond that her plans are indefinite.

While living in Belle Glade she has been active in community affairs, being a member of the Community Methodist Church, its Sunday School, and WSCS. She has also been a member of the local Rebekah Lodge.

For several years, she has been a senior class sponsor, and was one of the sponsors this year as well. Her friends on the faculty plan present her with a special farewell gift.

SOUTH BAY—Joe Hester, charged with throwing battery acid on a closet full of clothes in the home of Mrs. R. C. White in a fit of anger during a dispute, was placed on 12 months probation when the case came up in court last Monday.

Weddings and Engagements

MRS. STANFORD

Mr. and Mrs. Lester Holmes, of Pahokee, announce the marriage of their daughter Irene to Russie L. Stanford, son of Mr. and Mrs. M. H. Stanford of Savannah, Ga. They were married in Ridgeland, S. C. June 5 by Judge Cook. The couple plan to make their home in Savannah.

WEBSTER-KLANJAC

Miss Jane Webster, daughter of Mr. and Mrs. B. T. Webster, Belle Glade, became the bride of S/Sgt. Edward L. Klanjac in a double ring ceremony performed by Rev. C. C. Anderson, pastor, at 2 p.m. Sunday at St. Philip's Catholic Church in Belle Glade.

The bride, who was given in marriage by her father, wore a gown of tulle over satin with a full length bouffant skirt ending in a chapel train, fitted boise of Chantilly lace, having full length sleeves ending in a point over the wrist, and buttoning with tiny covered buttons down the back. The gown had a knee length overskirt of Chantilly. Her veil of illusion was a four-tier, elbow length one, falling from a cap effect outlined in satin, tulle, and seed pearls. She carried a crescent bouquet of white orchids, white roses and a cascade of ribbons.

Mrs. Bill Bailey served as her cousin's matron of honor, wearing a ballerina length Cantilly lace in blue, over taffeta, with fitted bodice, and scoop neckline, over crinoline. With it she wore matching shoes, and a halo hat, and carried a crescent bouquet of french gold roses, in a background of tulle, talisman ribbon, croton leaves, and baby's breath.

The bridesmaids, Mrs. Johnny Doolittle, Miss Montine Doolittle, and Miss Marianne Womack, a cousin of the bride, wore gowns similar to that of the matron of honor, except they were orchid. Their bouquets also were like that carried

by Mrs. Bailey. Brenda Webster served as her sister's flower girl, wearing a gown of white embroidered organdy over crinoline, and carrying a basket of rose petals. Mr. Klanjac's best man was Don Beverly of Pahokee, and the ushers were Max Beverly, Dick Gordon, and Harkness Duncan, also of Pahokee.

Baskets of white gladioli and mums were used to decorate the church, and white candles were used at the altar. Nuptial music was played by Mrs. Vernon Dexter, organist, and Ferris Kincaid of Pahokee was soloist.

The bride's mother wore a gown of ecru lace with matching accessories, and purple orchid corsage, while Mrs. Klanjac, the mother of the groom, wore blue with white accessories and a white orchid corsage.

Immediately following the

ceremony there was a reception at the Woman's Club. Miss Dorothy Mobley and Mrs. Roger Cunningham assisted in serving, and Mrs. Floyd Reeves, a cousin of the bride kept the bride's book.

For a wedding trip through south Florida, the bride wore a pink linen sport dress with white accessories and a white orchid corsage. Sgt. and Mrs. Klanjac will make their home in Belle Glade.

Miss Cate Adds to Plans

Final plans have been announced for the wedding Sunday of Miss Charlotte Ann Cate daughter of Mrs. R. F. Chamberlain and P. M. Cate, jr., Pahokee, and Daniel Wayne Burdeshaw, son of Mr. and Mrs. John Price Burdeshaw, Pahokee. Rev. M. Wendell Hainlin will officiate at rites at 3 p.m. at Episcopal Church of the Holy Nativity. Mrs. H. C. Graham

will be organist and Mrs. Hugh Branch soloist. Miss Cate's cousin, Miss Lovda Williams, will be attendant, and junior bridesmaid will be her sister, Cornelia Dowd Cate. The best man will be John Price Burdeshaw, jr., of Lake Alfred. The bride will be given in marriage by her father. The reception will take place immediately after the ceremony at the home of the bride's aunt, Mrs. Gerturde Williams. Friends of the couple are invit-

ed to both the wedding and the reception.

DR., MRS. GUY TO KEY WEST CHURCH

Dr. and Mrs. Rembert A. Guy left yesterday for Key West Methodist Church, his new pastorate assigned at the annual conference in Lakeland. Dr. Guy has served Pahokee First Methodist Church for the past three years.

Previously Dr. Guy had been named to a conference-wide post in the Florida Methodist Conference, but last week declined the appointment and instead was assigned to Key West. Serving the 100-year-old Key West Church, the Guys will be at home at 411 Simonton St.

LARGE BG GROUP TO U. F. GRADUATION

Sam Simmons, jr., Ross Winne, and Fred Stevens received their bachelor's degrees at the University of Florida commencement exercises recently.

Mrs. Thelma Stevens, Mrs. Pauline Boydston, and Mrs. Gertrude Winne attended the exercises together with Pfc. Albert Stevens who was on leave from Ft. McPherson, Ga. Pfc. Stevens returned to Belle Glade with his mother and brother and spent a week before returning to his duties as medical technician at the base hospital.

Both Simmons and Stevens graduated with honors, Simmons receiving his degree in pre-medical work, and Stevens receiving his in music. Winne's degree is in business administration. Stevens and Winne also received commissions as second lieutenants in the Army, having completed four years of ROTC. Winne received his commission in the Armored Division, and Stevens received his in the Signal Corps. Each will be called upon for a two-year period of active duty, Winne leaving in October and Stevens in July 1956.

In the fall, the latter will return to Gainesville to study for his master's degree in music. He has been awarded an assistantship in that department.

While in Gainesville for the commencement exercises, Mrs. Stevens, Albert and Fred Stevens, and Mrs. Pauline Boydston visited former Belle Glade residents, Dr. and Mrs. J. R. Neller, Mrs. Bess Daane, Dr. John Wilson, and Mr. and Mrs. Walter Thames.

SOLVED BY THE CITY COUNCIL OF THE CITY OF PAHOKEE, FLORIDA.

SECTION I
That the City Council finds the construction of public sidewalks along each side of that portion of Annona Avenue, Banyan Avenue and Cypress Avenue, Southeast Second Street and Southeast Fourth Street would benefit and improve the property located thereon.

SECTION II
That a sidewalk shall be built and constructed along each side of the following avenues lying between Southeast Second Street and Southeast Fourth Street:
Annona Avenue
Banyan Avenue
Cypress Avenue

with the general specifications as follows:
(a) Four and one-half (4½) feet in width.
(b) Four (4) inches of 3,000 pound concrete in depth.

(c) All work shall be performed in accordance with detail plans and specifications on file in the office of the City Clerk of said City.

That the owners of each lot and parcel of land abutting the said streets are hereby notified of the proposed improvement to be made and are advised to prove the portion of the street abutting his property in accordance with the said plans and specifications and upon lines and grades now on file with the City Clerk of said City to be started any time after fifteen (15) days, but not more than thirty (30) days, from the date of the going into effect of this Resolution.

SECTION IV
That notice of this Resolution shall be given by the City Clerk causing to be published a copy hereof in the Glades Observer on June 17th, 1935.

SECTION V
Thereafter the City Council of said City or some person authorized by it shall cause to be performed the construction of such sidewalk paving and improving and the City shall pay for the same. The City shall have a lien on the cost thereof against the property abutting on said improvement, which lien may be enforced by a suit in equity to compel the abutting owner to pay the amount or may enforce this lien and also to obtain a personal action in equity to compel the abutting owner to pay the amount due; and upon the completion of the said construction the City Council of Pahokee is authorized to Chapter 18760, 1937 Special Laws of the State of Florida, as amended, shall assess such tract or parcel of land abutting said pavement or improvement and the City shall be benefited by the improvement in proportion to the amount of said benefit and also to the extent of the improvement to the frontage. Such assessment when made is hereby declared a lien against the tract or parcel of land assessed and the same shall be enforced by recording the same and shall be enforced in the manner prescribed by law.

SECTION VI
That the City Council designated upon which the proposed sidewalks shall be constructed and the lands upon which the special assessment shall be levied are all lots and parcels adjoining and contiguous or bounding and abutting upon such improvement.

SECTION VII
The City Council hereby finds that the total estimated cost of the improvement will be Sixteen Thousand Five Hundred (\$16,500.00).

SECTION VIII
It is the intention hereof that the entire cost and expense incurred in completing the proposed improvements described herein shall be paid by special assessment. The manner in which said assessment is made shall be in accordance with said Chapter 18760 on a pro rata basis per front foot. Such assessments shall be paid in three (3) equal annual installments beginning on the 1st day of July, 1936, and on the 1st day of each July thereafter, until paid in full, with interest at the rate of six (6) per cent per annum from the date of the final assessment, payable annually with the assessment installments as due.

SECTION IX
That the City Council of said City be, and it is hereby authorized and directed, to do and perform all things that may be necessary or proper for the carrying out of this Resolution.

SECTION X
All Resolutions and parts of Resolutions in conflict herewith are hereby repealed for the purpose of this particular Resolution.

SECTION XI
That this Resolution shall become effective immediately upon its passage. This Resolution was read in full and passed and adopted on this 13th day of June, A. D. 1935.

Attest: I, Lewis Friend, City Clerk.

(CITY SEAL)
ATTEST: Dorothy M. Graham, City Clerk.

Approved on the 14th day of June, 1935.

NEW PASTOR

Rev. Mr. Houglin

Appointed Sunday at the Methodist annual conference in Lakeland to Pahokee Methodist Church, Rev. A. D. Houglin comes to Pahokee from Trinity Methodist Church of Bradenton. He was serving his sixth year there as pastor of a church which he organized and promoted in the growing residential area of West Bradenton. Starting as a mission over five years ago, the new church received 700 members during the ministry of Rev. Mr. Houglin, erected a \$150,000 educational plant and a \$20,000 parsonage. Rev. Mr. Houglin came to Florida six years ago as a transfer from First Methodist Church, Corbin, Ky. He is a graduate of Candler School of Theology, Emory University, Ga. The new pastor is a member of the Florida conference board of temperance of the Methodist church and for the past two years served as district secretary on temperance for the Sarasota district.

REV. MR. GARRETT

BACK AT COMM. METH.

Rev. H. E. Garrett has been reappointed to serve Belle Glade Community Methodist Church for another conference year. He, Mrs. Garrett and son Timothy, returned Sunday from the conference in Lakeland. After the Sunday evening worship service, an ice cream social was held for the pastor and his family sponsored by the WSCS.

Student Recognition Day was celebrated at the Sunday evening service with special music by a group of college students. Curtis Thompson, jr. led the group in the call to worship and the responsive reading. Both college and high school students were recognized by the pastor and a special message was delivered by him.

Rev. Mr. Garrett will conduct the regular morning and evening services at the church this Sunday. The morning service is at 11 o'clock and the evening service at 8.

BLBATU Meets

The Big Lake Baptist Association Training Union held a session at the South Bay Baptist Church on Tuesday evening at 8 p.m. Refreshments were served at the close of the program.

NEARS COMPLETION

The first unit of the St. John the Apostle Church plant at Belle Glade will be ready for use by mid-July, according to Dr. G. R. Townsend, senior warden. Although service will be held at the building as soon as it can be occupied, the official dedication ceremonies will not be held until fall when people have returned from their summer vacations and summer work.

Rev. John Clarence Petrie, vicar, was in Winter Park this week consulting with the suffragan bishop and with Canon William L. Hargrave, executive secretary of the diocese, and discussing plans for the dedication ceremonies.

Among church families who have left for the summer are Mr. and Mrs. W. D. Matthews, and family and Mr. and Mrs. A. L. Durrance.

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services this Sunday.

Scriptural selections from the King James Version of the Bible stress the supremacy of spiritual power and include the account of Christ Jesus feeding the multitude as recorded by Matthew (14: 14-20) and John's account (6: 16-21) of Jesus walking on the sea.

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (273: 21-26): "God never ordained a material law to annul the spiritual law. If there were such a material law, it would oppose the supremacy of Spirit, God, and impugn the wisdom of the creator. Jesus walked on the waves, fed the multitude healed the sick, and raised the dead in direct opposition to material laws."

85 ENROLL AT METHODIST
VACATION SCHOOL

Daily vacation Bible school at Belle Glade Community Methodist Church opened at 9 a.m. Monday with about 85 children enrolled, and will continue Monday through Friday from 9 to 11:30 a.m. until June 24. Mrs. James Wierengo is the director of the school.

Mrs. Douglas Thompson and Mrs. Robert Davis have the kindergarten group of four and five year olds; Mrs. R. Y. Creech, jr., Mrs. Robert Abel, and Mrs. Norfleet Moore have the primary group, and are assisted by Mrs. Clarence Kidder. The junior department is in charge of Mrs. Herbert Beck,

Mrs. H. E. Garrett, and Mrs. Fred White.

Miss Dorothy Kidder is helping with games and music for the kindergarten and junior groups, and Miss Karen Vadasz is also helping with music in the junior department. Julian Griggs, assisted by Curtis Thompson, jr. has charge of woodworking for the junior boys. Mrs. Jean Connell is the chairman of the refreshment committee, and is being assisted in serving refreshments each day by Miss Terry Tucker and Miss Karen Vadasz.

Mr. and Mrs. Paul Riddle and son David will move Sunday to Delray Beach to make their home.

BUICK SPECIAL 2-Door, 6-Passenger Riviera, Model 46R

They're making it the BIGGEST-SELLING BUICK OF ALL TIME

*Maybe you'd better see for yourself
why folks just won't do
without this great car.*

PEOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory, and causing Buick production to climb to new levels every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and

who have moved Buick more solidly than ever into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car? Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflo* where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

DONALD WEEKS TO SPEAK AT BG BAPTIST SUNDAY

Donald Weeks, who has been away from Belle Glade studying at Birmingham, Ala. to be a director of religious education, will be the speaker at Belle Glade First Baptist Church Sunday evening at 7. Mr. Weeks is a brother of Mrs. Grady Edwards.

The Youth Fellowship held its first meeting at the recreation hall last Sunday after the evening service with 39 present. This group, for those 13 to 24 years of age will be under the direction of Jim Bill Geer, a student at Stetson University, assisted by Leo James. They will meet each Sunday after the evening service for a program of games, devotionals, and testimonials, followed by refreshments, and closing with a circle prayer.

This Sunday's weekly bulletin will be dedicated to Miss Marian Najarian, who is leaving the service of the church after three years. During that time she has directed the youth choir and the sanctuary choir. Wendell Carpenter, who will serve the church as minister of music and director of education, will assume his duties on July 1.

The carol choir will be under the direction of Miss Pat Tatum, who replaces Miss Pat Winne. Miss Winne is leaving to make her home in West Palm Beach. Lamar Willis was soloist at the church last Sunday and led the music for the evening service. The Royal Ambassadors held a hamburger fry Tuesday evening at the home of their leader, Mrs. Walter Schlechter.

Breakwater Loan Plans Questioned

PAHOKEE — The new \$200,000 breakwater, on which a call for construction bids was issued last week, was a major discussion topic at Pahokee City Council meeting Monday night.

J. Leo Chapman, of West Palm Beach, secretary-treasurer of Okeelanta Plantation Co. queried Council on the tax aspects of the big new project. City Attorney Ralph O. Johnson reported that the city was awaiting bids to be submitted, and that the Internal Improvement Commission has the money and is paying the bills.

Questions \$10,000

Chapman asked what the city would do to make up the \$10,000 hole which will be left in its revenues when that cigarette tax money is diverted to pay on the II loan to construct the breakwater will be city property. Friend said there was no raise in taxes planned, and that the city is hoping that dockage and other breakwater facilities, possibly the Air Force basing at the new breakwater, and the Palm Beach Port Authority would all bring in enough to make the annual payment.

Johnson pointed out in answer to a question by O. B. McClure that no ad valorem taxes can be used to pay back the breakwater loan. Since the breakwater will be city property, the cigarette tax revenues can be used to make the loan payment, Johnson said.

Upon McClure's further ob-

jections that Council was taking on a heavy load in going forward with breakwater construction, Mayor Friend asked "Mr. Mac, is it your worry that somebody will take this breakwater from us?" McClure replied that "There has been a pier out there for five years and no revenue from it... you have to get revenue to pay back the \$200,000 loan."

Friend said he didn't think that "this or any other Council would sit by and not plan revenue coming in." McClure said he thought "You won't get \$50 from it."

W. A. Keen reminded Council that "the poor Port Authority takes millage out of here," and stressed that the Port Commission should be forced to help pay for the breakwater. Mayor Friend said he was in touch with the commissioners, and would appear before them in behalf of the breakwater at their next budget meeting.

Mrs. A. J. Heldt entertained her daughter, Sharon Heldt, on her seventh birthday Wednesday afternoon.

SUMMER ADULT DRIVING CLASSES CONTEMPLATED

All Glades residents interested in taking driver education instruction are asked to get in touch with W. A. Slaughter, Glades driver education director, immediately.

Slaughter said he is contemplating making up an adult class, to have instruction three times a week. Some 15-25 persons would be the desirable size class, he said.

say there is only a very slight chance of an explosion," Mrs. Friend added "They argue that the gas station there now is dangerous... Well, if it is dangerous it should be condemned and moved, not improved and expanded."

"Our city spent money bringing an expert here to help write zoning laws just for the purpose of preventing this from happening. Are we going to stand idly by and let this zoning be set a

side and allow something like this to happen?" she asked.

She said "We would be glad to have a bulk gasoline station

here but not in the center of town. Other towns have them and almost every time, they are just outside the city limits."

From where I sit... by Joe Marsh

Handle With Care

Tractors are like horses—or mules—in more ways than one. They can be pretty tricky if you don't handle them right.

Too many tractor accidents happen because of carelessness. The day grows hot and drowsy, the job grows monotonous—and bingo! Someone forgets to throttle down when making a turn, or something, and there's a bad spill.

Credit Slim Hartman's misssus for the fact that there's never been tractor trouble on their place. Midway through every morning and afternoon she brings him snacks. "He'll stay on

the alert," she says, "if I get him off the tractor for ten minutes."

From where I sit, carelessness can cause plenty of harm in our off-the-job personal lives, too. For instance, suppose a neighbor prefers a glass of beer with supper. You might not share this particular preference with him—but if you're careless about protecting his right to choose, your own freedom of choice is in danger of being "plowed under."
